FREE Software Update
GM® 2014 - Holden® Captiva Proximity Key Programming - Smart Pro Only
ADS2223 - Code D751909AD

August 2018

Advanced Diagnostics is pleased to announce the release of a free software update for GM® 2014 ADS2223.

What does the software do?

Available on the Smart Pro only, the software will program proximity keys for GM Holden® Captiva vehicles from 2014 onwards. All keys will be erased during the procedure and 1 - 4 keys can be added. The security is bypassed with a short wait time, followed by a seamless key / remote programming procedure.

What else will I need?

Smart Pro only
